**THE LIVER**  
**INVIGORATOR**  
PREPARED BY DR. SANFORD,  
COMPOUNDED ENTIRELY FROM GUMS  
It is one of the best purgative and Liver medicines  
before the public, that acts as a *Cathartic*, more  
milder and more effectual than any other medicine  
known. It is not only a *Cathartic*, but a *Liver*  
acting first on the *Liver* to reject its morbid matter,  
on the stomach and bowels to carry off that matter,  
accomplishing two purposes: effectually, without an  
unpleasant or dangerous result.

The LIVER is one of the principal regulators of the human body; and when its powers of the system are chiefly almost entirely deranged, the disease for which it is the most important function, when the liver is at fault, and the whole agencies of one organ—the biliary duty. For the diseases of the liver are the propellers have made of more than twenty years.

Wish to counteract them as  
salable.  
I am glad that this reme-  
dy's formula has had to try a  
certain.

These Gums remove all  
the system, supplying in  
of bile, invigorating the  
digest well, PURSING  
the whole of the disor-  
der of the disease.

Dear Sir:—Some months  
ago I received a bottle of your Hair Restorative  
and gave it to my wife, who considered it  
little, taking at the time that it would restore  
my hair to its original color; but to her, as well  
as to me, it was a great success. I have performed it  
several times, after which the gray hair has  
restored its former color.

 Mr. I. strongly recommends the above Restorative to  
 persons in want of such a change in their hair.

and physicians have lent their names to certify the public the reliability of my remedies. While others are sent me the assurance of their confidence, these comparisons contribute immensely to the relief of my American suffering fellow-men.

My friends, who are pleased to furnish gratis testimonials and certificates of their cures of numerous complaints, are not to be put off by unprincipled dealers with some other pill that may make more profits on. Ask for AYER'S CATHARTIC, and take nothing else. No other can give you the same results with this its intrinsic value or curative power. You can afford to try it. The best advice is for those who would have it.
